

## OUR MISSION

The mission of the Chaffey Communities Cultural Center is to promote an understanding and appreciation of the history and culture of the Upland, Ontario, Rancho Cucamonga, San Antonio Heights, Mount Baldy, Chino, and Montclair communities from 1880 to the present. In addition, honor the local indigenous Gabrieleno Tongva Indian tribe that lived in our area long before the early settlers arrived. This will be accomplished through the collection, preservation, and display of artifacts and educational programs.

The Cooper Museum is more than just a building—it's a gateway to the region's history. Join us in celebrating the past and exploring the stories that make our community unique. We invite you to discover something new with every visit.
